Land Given In Devine For Youth Building

Mr. and Mrs. J. M. Burns of Devine have donated a piece of land, in memory of their late son, James, for use as a site for a Youth Center in Devine. The presentation was made Tuesday night by Mrs. O. W. Seecrest, daughter of Mr. and Mrs. Burns, at a meeting of the Devine Business and Professional Womens Club. This organization has been working toward the goal of a youth center for the town. The land, 100 feet by 300 feet, is located in town just to the north of Highway 173. Other civic organizations in Devine are thought to be interested in the project, and some residents think the building may be underway and see completion by next summer.

CONSTITUTIONAL AMENDMENTS PASS IN STATE VOTE ON 5TH

Medina County, no different from the rest of Texas, hardly bothered to turn out for the Constitutional Amendment election Tuesday. Henry Schulte, County Clerk, had received ballots from more than half of the county boxes by Wednesday morning and the trend in voting indicated that the voters approved all three measures in our county. The retirement measure drew the most opposition. The amendments, one dealing with water conservation over the state, one with state retirements and the other with raising the maximum for old age assistance payments. All passed on a state-wide basis.

It's No Joke Room Really For Sale

On about the first three phone calls, John Strait thought it was Halloween pranksters who called up inquiring about a room for sale. Going along with the "gag", he would tell the party at the other end of the line, "Why, sure, we have all kinds of rooms for sale — big ones, little ones, etc."

Mrs. Strait told us about this and said she couldn't help being amused at his offering to sell rooms from their small house.

But when the calls kept coming, he began asking some questions and found out that the Anvil Herald had put his phone number in a classified advertisement by mistake. There was a one digit difference and he was getting phone calls intended for a party who lived in a trailer who actually wanted to sell a room they had built onto their trailer. All of which just goes to show that it pays to advertise. Interested callers then phoned the Anvil Herald for the right number and everybody was happy.

Veterans' Program Set

Local Pair Nominated As SWTTC Favorites

Dorothy Leinweber, daughter of Mr. and Mrs. F. J. Leinweber, and John Wright, son of Mr. and Mrs. Frank T. Wright, are among the nominees for Gaillardian and Gaillardian escort (all-college favorite) at Southwest Texas State Teachers College in San Marcos this fall.

Twelve favorites, six Gaillardians and six escorts, will be presented during the annual SWTTC Homecoming Dance Saturday, Nov. 9th. Sophomore, junior and senior students at the college will select the 12 favorites by secret ballot this week and the identity of the six winning couples will be kept secret until the Homecoming presentation. A total of 34 couples were nominated for the honor by various campus organizations.

Miss Leinweber, a junior home

economics major, is the junior class nominee, along with Bruce Reeves, Westoff Junior.

Wright, senior agriculture major, is the nominee of the Future Farmers of America, along with Mackey Kendall, George West senior.

The Gaillardian election is one of many preparations being made for the annual Southwest Texas Homecoming Nov. 9th. Actual Homecoming activities, centered around the theme "Tomorrow", begin with a bonfire and pep rally Friday night, Nov. 8th, followed by open house for ex-students Saturday morning, the Southwest Texas — Sam Houston State football game Saturday afternoon and the Homecoming Dance Saturday night.

Hondo Blow

Losing Attorney Winds Up With A Black Eye

Atty. Grover C. Morris, former chairman of the Bexar County Democratic Executive committee Tuesday still bore markings of a black eye administered by an irate client.

Morris appeared in the district attorney's office to file charges of abusive language, disturbing the peace and making threats against John E. Helmke, Hondo.

Invited To Fight

The attorney said Helmke walked into his office at 201 Houston building Thursday and invited him to a duel with fists.

He said when he explained he quit the manly art some 40

years before, Helmke took aim, knocked him backwards out of his chair and blacked his right eye. He said his office chair was also broken in the melee. His glasses skittered across the floor unbroken.

Lost Case

Concerning cause of the altercation, Morris explained he had come in second best in a court case he handled for Helmke. He said Helmke complained about the placement.

The charges were filed with Justice of the Peace Albert Trevino Jr.

—SAN ANTONIO LIGHT

1,000 Foot Oil Test Planned On Wilson Place

Seeger and Lamson of Woodboro plan an 1,000-foot oil test in the Taylor-Ina Field about 10 miles southeast of Hondo.

It will be the No. 3 J. N. Wilson, and will be located 300 feet north of the No. 2 Wilson.

Completion forms have been filed on three oil wells drilled in the Taylor-Ina Field during August. They are the Rhodes Drilling Co. Nos. 2, 3 and 4 Ward-Wendland, all located in the Hondo Creek lease about 10 miles south of Hondo.

All three wells are producing from the Navarro from depths of around 800 feet. The No. 2 produced 15.53 barrels of 25 gravity oil daily, the No. 3 17.91 barrels of 25 gravity oil daily and the No. 4 19.27 barrels of 25 gravity oil daily on initial tests.

Another announced completion is the M. L. Wise No. 6 Joseph

Gross, Chicon Lake producer drilled during October. It was drilled to 1,572 feet but plugged back to 450 feet from where it produced five barrels of 21 gravity oil daily from the Navarro. Wise had drilled the well to test the Edwards, where he found sulphur water, so he plugged the well back for the shallow production from the Navarro.

Veterans Day, Monday, Nov. 11, will be observed as a holiday in Hondo. Stores will be closed and the schools will take a holiday.

At least three events are scheduled to be held in the county that day including a V. F. W. observance in Hondo, one in LaCoste and an all-day barbecue sponsored by the Medina County Wildlife Association.

Veterans Program

A Veterans Day program sponsored by Veterans of Foreign Wars 3891 of Hondo will be held on Monday, Nov. 11, at 11:00 a.m. at the memorial monument park. The general public is invited to be present for the laying of the wreath, color presentation and a brief program.

Turkey Shoot

Nine turkeys were won at the V.F.W. turkey shoot Sunday, Nov. 3, when 1000 rounds of ammo were fired. The small bag of birds was attributed to the cloudy day and variable winds.

Lucky marksmen were: Lawrence Haby, Eric Menger Jr., Lloyd Hermes, Fred Lewis Graff, C. W. "Bud" Johnson, Bobby Landers, James Tschirhart, Hubert Hermes and Robert Wurzbach.

Winner of the .270 Remington was Larry Evans of Devine.

Post Meeting
At the Monday night meeting of Post 3891, Jack Dowdy of Hondo was elected as Junior Vice Commander, replacing Comrade Harry Haltman, deceased.

LaCoste Observance

Veterans of Foreign Wars, Post 8134, LaCoste, will hold a memorial service on Veterans Day Monday, Nov. 11, at 8 p. m. at the post home. The post ritual team will be in charge of the service, according to Marion Keller, Commander.

There is no admission and the public is cordially invited to attend. Free coffee and cookies will be served to those present.

Wildlife Meeting

Monday, Nov. 11, will be the date of an all-day affair for members of the Medina County Wildlife Association, according to Preston Gaines, president.

The day will include a free barbecue for members and the public is invited to come to the Quilhi Gun Club, scene of the event, and join the association too.

There will be four trophies awarded at the trophy shoot, 3 for men, scope, open, and peep sight and one trophy for women.

JOEY HOLLOWAY, who has won in previous years as a bat and as a jack-o-lantern, does it again. He won first for best costume in the fourth and fifth grades with his interpretation of a ghost. Kathy Mims placed second in the category.

County Doe Season

There will be a doe season in Medina County from December 1 through December 15 in the area of Highway 90 West, from Hondo to the county line and east to Hondo via the Quilhi to Medina Road and back to Castroville. The fall deer census completed

in Medina County last week indicated fewer deer needing to be harvested. Range conditions are much improved; However, some deer can be harvested without endangering brood stock, and with the ultimate objective of improving the welfare of Medina

Counties deer herds.

Permits will be issued at the Chamber of Commerce office in Hondo from Nov. 18 through 22. The same rules will govern this year's doe hunt as were in force last year, according to August Timmerman, Game Warden.

No School On Monday

Hondo school kids and teachers will have a break in the routine Monday when the schools of Hondo Independent School District close for the observance of Veterans Day, Nov. 11.

Then less than two weeks after that, they'll have another holiday when both Thursday and Friday, Nov. 28 and 29, will be schoolless days.

Sickness Situation

High School Principal H. R. Burch says attendance is improving in the school system now, after a week of poor attendance as a result of colds and flu.

There were 25 high schoolers still out Tuesday, but that is less than half the number out a week ago.

HONDO CoFC DINNER SET FOR DECEMBER 2

The annual dinner of the Hondo Chamber of Commerce will be held on Monday night, Dec. 2, according to Mrs. Winnie Braden, secretary of the chamber. Facilities of the Hondo Air Base Club have again been offered as site of the meeting.

At this time, it is not known who the principal speaker will be. Members of the organization will receive a ballot for election of directors through the mail soon, Mrs. Braden said.

SCARECROW SAMMY BYBEE won first place in costume competition for the first through third grades at the Hal-

loween Carnival Wednesday. Second was witch Delia Ramirez.

—Staff Photo

TWO GIRLS IN WITCHES CLOTHING won the costume contest for the sixth through eighth grades. You can't tell

by looking, but they are Cornelia Rowlett and Frances Meyer.

—Staff Photo

D'Hanis Roads and Lanes Have New Markers Courtesy of Lions

D'HANIS — The little colored streamers attached to trees, fences, and gate posts which usually appear about this time of

year to direct visiting hunters to their leases will not be needed in the area around D'Hanis this season or for some time to come. The reason is that the D'Hanis Lions Club is placing name signs on all rural roads in the territory surrounding D'Hanis for the convenience of strangers. According to John H. Poerner, a member of the committee assigned to the project, all signs will be in place by November 16.

To preserve the traditions and local color of D'Hanis, the committee has been careful to retain all the old names by which roads and lanes have been designated for decades; other roads have been given names suggestive of their location or history.

Anyone wishing to know these names may inquire of Poerner or the other members of the committee, namely A. J. Boog, Hilmar J. Koch, and Charles Langfield.

Clarence Haass Receives VFW Appointment

Clarence A. Haass has been appointed a member of the National Veterans of Foreign Wars, Youth Activities Committee. The announcement has come from Richard L. Rodebush, Indianapolis, Ind., Commander-in-Chief of the V.F.W.

In making the announcement, Commander Rodebush said "Clarence Haass has long been active in all phases of V.F.W. activities and will play an important part in the work of this important committee."

Wesleyan Guild Makes Donation To Xmas Fund

A cash donation to Hondo's Empty Stocking Fund will be given by members of the Wesleyan Service Guild of First Methodist Church. The decision was made at their meeting Tuesday night at the church.

Mrs. Welton Meyer, president of the Guild, stated that gifts of toys and clothing will be brought to the December meeting to supplement the cash donation.

The devotional was given by Mrs. Roy Hartman.

After the business meeting, the Guild and the Womens Society of Christian Service met together for study session, conducted by Mrs. Barnitz Carle. Those taking part on the program were Mrs. R. J. Reilly, Miss Willie Fly and Mrs. Ethel R. Baylor.

Refreshments were served by Mrs. Bruno Schweers and Mrs. Joe Brucks.

LaCoste News

By Mrs. R. R. Koch

LACOSTE — The children and some grandchildren of M&M William Ahr helped celebrate Mr. Ahr's 92nd birthday Wednesday evening, Oct. 30. Refreshments consisting of pie, cake, sandwiches and coffee were served.

Mrs. Mayme Trip of SA left by plane Saturday for Durham, N. C. where she will visit her son and daughter-in-law, M&M Harry McKaig and family.

Mrs. Emma Keller of SA visited relatives and friends here over the weekend.

Mrs. Freddie Koehler and Mrs. Reba Keller were Castroville visitors Friday.

M&M W. A. Ludenback of Seguin visited here over the weekend with relatives.

Louis Lessing Jr. of Macdonia was a business visitor in town Saturday.

Mrs. Glenn Keller and sons and Mrs. Walter Stein of Rio Medina and Mrs. Adolph Mangold and Mrs. Leroy Haby and daughters visited in the Reba Keller home Friday afternoon.

Mrs. Cletius Batto, of D'Hanis and Mrs. Ed. Schmidt, of the Sauz visited here Saturday.

Gerald Hutzler, who has been serving with the army, returned home last Tuesday.

M&M Doyle Eller and M&M Ferd Zapata and son and Miss Ann Geiger of SA and Mrs. Mary E. Geiger visited in the George Kunze home Sunday evening.

Mrs. Wilfred Ahr visited her sister Mrs. Ferd Zapata and son Friday afternoon.

Osborne Koch of Castroville visited in the Randolph Koch home Monday evening.

M&M B. J. Wheelers and daughters, Carol Ann and Linda Lou, of SA visited Saturday with M&M Wilfred Hutzler Sr.

M&M Paul Koenig spent Saturday evening with M&M George Kunze.

Mrs. Paul Mechler of the Sauz was a visitor in town Friday.

Mrs. Katie Reicherzer and Arnold Reicherzer and daughters of Corpus Christi spent the weekend here with M&M R. A. Biediger and family and other relatives.

August Bippert of the Sauz was shopping here Saturday.

M&M Frank Bohl, M&M Francis Echtle and family, Mrs. Seraphina Bohl and daughter Florentina, M&M Henry Zinsmeyer, M&M Geo. Zinsmeyer, M&M R. J. Mangold and M&M Branch Keller attended the ham dinner at Castroville Sunday.

Jimmy Myers of Pearson was a visitor in town Monday night.

Natalia FFA

Places High In Contest

The Natalia F. F. A. entered four teams in the Leadership contest at Hondo and won three banners, two first place and one second place banner.

Raymond Eacret, Ronnie Brazil and George Keith were on the Chapter Farmer Farm Skill and won first.

Roy Lee, Raymond Martin, Jerry Walker, and Clemente Alvarado were on the Greenhand Farm Skill and they placed first in their demonstration.

Billy Cole, Thurman Barrow, Larry Whittington and Tommy Frick were on the F.F.A. Quiz and placed 2nd in their division.

Natalia placed 6th in the Chapter Conducting part of the Leadership contest. The following boys were on the Chapter Conducting team: Linden Penland, Billy Musick, Phillip Simmons, Chester Barrow, Mike McMillan, Ray Neyland, and Terry Patterson.

The three high teams will go to San Marcos Saturday Nov. 9, 1957 to compete in Area VII Competition.

The boys were accompanied to Hondo by B. C. McDonald, the local Vocational Agriculture Teacher from Natalia.

Miss Constance Schweers' Engagement Is Announced

Mr. and Mrs. M. F. Schweers announce the engagement and approaching marriage of their daughter, Constance Eloise, to Mr. Jim L. Leazenby, son of Mr. and Mrs. John J. Leazenby of Hondo. They are both graduates of Hondo High School.

Miss Schweers has just completed a course at Draughton's Business College in San Antonio, and Mr. Leazenby is attending Texas College of Arts and Industries in Kingsville. The wedding will be solemnized in the First Methodist Church of Hondo in the near future.

Mr. and Mrs. M. F. Schweers, Business College in San Antonio, and Mr. Leazenby is attending Texas College of Arts and Industries in Kingsville. The wedding will be solemnized in the First Methodist Church of Hondo in the near future.

Future Homemakers Hold Sock, Masked, Tacky Party

October 26 was the date of the F. H. A. Sock-Masked-Tacky party. The high school cafeteria was decorated in Halloween colors of orange and black. Large, black spider webs with horrifying spiders, black cats, witches on

flight, ghastly ghosts, skeletons, bats, pumpkins, and skulls and bones were all present to make the evening from 7:30 to 11:30 even more mysterious to the 80 F. H. A. girls and their guests.

The evening activities began with the playing of several games, followed by dancing in the gymnasium.

Mr. and Mrs. Robert Faseler, Mr. and Mrs. W. A. Bendele, and Mr. and Mrs. Sam Meyer chaperoned the disguised and distinguished guests. Refreshments of punch and cupcakes were served.

Sorority Plans To Organize In Castroville

Mu Theta Chapter of Beta Sigma Phi, San Antonio, is organizing a chapter in Castroville.

Beta Sigma Phi, an International organization, has over 5,500 chapters and 130,000 members. It is the world's largest non-academic sorority. The organization is non-sectarian. Women of all faiths have joined together in the belief that in this movement "the only right we have is the right to be useful" and much that they acquire in skill and grace will reflect in their associations elsewhere — in churches, in civic pursuits, in social functions and in daily routines. The individual member is all important. All activities are by and for her.

A number of young ladies in the Castroville community have expressed an interest in the sorority. A presentation of Beta Sigma Phi's aims, purposes and functions will be held at the American Legion Hall in Castroville, Thursday, Nov. 14, 8:00 p.m.

Miss Virginia Taylor, 133 E. Woodlawn, San Antonio, is in charge of organizing the chapter. She is being assisted by Mrs. Melvin Bippert, Castroville.

BIRTHDAY PARTY 3RD FETES MRS. BIPPERT

LACOSTE — Sunday, Nov. 3, relatives and friends gathered in Natalia to help Mrs. Bippert celebrate her 88th birthday anniversary. Mrs. Bippert received a nice assortment of gifts.

The table was centered with a birthday cake, baked by Mrs. Mangold, which was served with ice cream and coffee.

Present were: Mr. and Mrs. N. E. Mansfield, Mrs. Frances Wurzbach, and Milton Wurzbach, Mr. and Mrs. Clayton Mangold, Judith, Dona Faye and Gary all of SA, Mr. and Mrs. A. Mangold, of Rt. 4, SA, Mrs. A. N. Steinle, and Mrs. Marshall Hicks, of Jourdan and Mrs. Ida Jungman of LaCoste.

NEW BABY DEPARTMENT

Mr. and Mrs. Joy Tilley Jr. are the parents of an 11 pound son born Tuesday, Nov. 5.

In phoning the Anvil Herald Wednesday morning, Tilley said that he had a football player for Friday night — insisted that the baby was already snoring the doctors around and flirting with the nurses at Medina Hospital.

The new arrival joins two brothers and three sisters at the household.

PTA Panel Discussion Draws Round Of Applause

A panel discussion on the topic "What Young People and Their Parents Expect of Each Other" brought applause from both students and members at the High School P. T. A. meeting Monday night in the cafeteria.

Parents and students participating in the discussion were H. R. Burch, James Gray, Robert Faseler, Stanley Mumme, Mrs. Jesse Applewhite, Mrs. Ralph Jones, Mrs. Charles Tondre, Mrs. Orby Swartzell, Roxene Schweers, Kenneth Nietenhofer, Kathy Bendele, Charles Eckhart, Kathy Vincent, Fred Graff, Kathy Haegelein and George Brucks.

A group of girls from the junior class who call themselves "The Juniores" Mary Pope, "lonnie Schulte, Annie Rowlett, Kathy Bendele, Rita Ulbrich, Laura Meyer, Suzanne Rath, Barbara Clements, Roberta Faseler and Anna Taylor sang

several songs. During the business meeting it was decided to send two delegates to the State Convention which will be held in Galveston November 20, 21 and 22, and to sponsor a Mexican Dinner on Saturday night, Jan. 25. The members will assist in the P. T. A. Drive again this year.

The following will serve as chairman of Room Mothers: Freshman Class, Mrs. Albert Haegelein; Sophomore, Mrs. H. Miller; Junior, Mrs. H. Taylor; Senior, Mrs. M. T. Schweers. The names of Room Mothers last month of Room Mothers last month were omitted from the list. The next meeting will be held the first Monday in February at 8 p.m.

The Hospitality Committee served refreshments after the meeting.

Football Queen Crowned At D'Hanis High Friday

D'HANIS — Ester Del Toro, senior of D'Hanis High School, was crowned football queen during the half-time period of the Friday evening, Nov. 1. After being led to the center of the field by Co-Captains George Tovar and Gilbert Gallegos, she was escorted to her throne at the side line. Then followed one of the finest performances yet given by the D'Hanis Pep Squad and drum and bugle corps. The twirling of lighted batons in total darkness

by Majorette Patsy Turner and Twirlers Carol Ann Finger and Joan Rieber was spectacular. After the game a homecoming reception and dance were given in the auditorium for school personnel and visitors. Punch, coffee and cookies were served to all guests.

The entire evening's entertainment was planned and executed by Mrs. Jack Zinsmeyer and Miss Jamie Davenport.

Fight Flu, Colds, Any Illness With Rest

How illnesses, like the so-called "Asiatic Flu", affect you and your family may well depend on you and your habits of health, according to the medical department of an insurance company.

Your general physical condition and habits of living are often determining factors in how you come through a bout of illness, Dr. Norvin C. Kiefer, said today. A sound and moderate approach to the fundamentals of good health is necessary. For example, are you and your family getting enough sleep and rest, and regular exercise? Eating balanced meals for daily stamina and energy? Practicing the rules of cleanliness? Attending promptly to medical and dental needs?

Each of these principals for better health has a long history of investigation, accumulated knowledge, and un-answered questions. Take rest and sleep. Though its basic mysteries are still unknown, certainly everyone —

from ancient Greek poet to present-day physiologist — has recognized how important sleep is to a feeling of well-being and general health. Scientific studies have not yet revealed what causes a "sleep center" in the brain, decreased flow of blood to the brain, or sleep-producing chemicals, to mention a few of the theories. Investigation does show, however, that the simple act of lying down gives your body chance to rest up, time to recuperate from strain and stress.

But what is enough sleep? It varies from individual to individual. One way to tell if you are getting enough sleep is to answer the question, "Does your sleep really rest you?" If you feel reluctant to get up that you can talk yourself into thinking you're "coming down with something" and ought to stay in bed all day — take a closer look! Sometimes your closer look might show you are ill and ought to stay in bed. But unless you are ill, the sort of thing happens to you when it may mean that you aren't getting enough restful sleep. And you aren't you should take a closer look, too, at the possible reasons why.

For instance, you may have slept enough hours, but without some fresh air in the room, or an uncomfortable bed, perhaps with a sagging or too soft mattress. Or perhaps you went to bed too strained and tense from yesterday's activities to relax for most of the night.

Many people find a regular bedtime for bedtime helps them to sleep quickly and to rest more. A prolonged tepid tub bath often soothes a tired body and relaxing pre-sleeping customs (Some children are stimulated instead of soothed, by a bath before bed. When this is the case, a bath can come earlier in the day.)

A quiet story-time just before sleep. (You may or may not like a hot drink before bedtime. But if you are a problem sleeper, it may be better to choose a non-stimulating one like warm milk. A hot, minty, smooth sheets and a wrinkled but not too tight nightgown — when you need them — help. In addition, you might make sure that your bedroom is cool and dark.

Setting the alarm a little earlier may help too. If you allow time for dressing and for a good breakfast, you're likely to find the day goes better. And a well-paced day will help make sleeping easier.

M&M Keller of SA visited his mother, M&M Ed. Keller and all M&M Wallace Lutz of Mico, their aunt and uncle, Mr. Mrs. Ed. Keller.

How Do You Like Your Chicken?

Hot or cold, in salad or to eat with the fingers? There are a "baker's dozen" ways of cooking chicken. Fried... in different types, roasted... with vegetable or oyster stuffing, or just about any method or idea the "chef" in the kitchen dreams up.

One thing is certain. With boxes of packaged frozen chicken parts, it's practically effortless. A note tucked to your bulletin board will serve as a reminder to take the chicken out of the freezer for thawing. Follow the directions on the package for this... 3 methods are given, one of which should easily fit into your time schedule. Best part comes when you open the package. There is no cleaning to do... no pinfeathers to singe... just wonderful plump pieces of chicken with lots of meat and tender skin.

Every homemaker is eager for new recipes to add to her collection. They provide variety in meals and turn complaints of "we just had this a week ago" into eager anticipation. Any night of the week why not try this recipe for a sure fire hit with the family. Here's how to do it...

Chicken Espagnole
2 packages (1-pound size) frozen chicken thighs, breasts, drumsticks or wings
3 slices bacon
1 can (10 3/4 ounces) condensed tomato soup
1/4 cup sliced stuffed olives
1/2 teaspoon Worcestershire sauce

Thaw chicken as directed on package. Cook bacon in large skillet until crisp, remove and drain. Brown chicken in bacon drippings. Crumble bacon, combine with soup, olives and Worcestershire sauce. Pour over chicken. Cover and cook over low heat about 45 minutes or until chicken is tender; stir occasionally. Makes 6 to 8 servings.

Cheese Adds Zip To Oyster Stew
With the holiday season rounding the corner, you won't have a worry in the world if you plan on good oyster stew for a hungry crowd. Here's what you do for 4 servings: Heat 1 can (10 ounces) frozen condensed oyster stew and 1 1/2 cups milk slowly, stir often. Add 1 cup shredded process cheese. Heat, stirring constantly just until cheese is melted. Makes 4 servings. FNS

St. Louis School News

The Senior and Junior girls of Saint Louis school were visited by several girls and a Sister from The Lady of The Lake College. The girls gave a talk on college life and about the different subjects offered at the College.

Thursday, Oct. 24, United Nations Day was observed by all the students of Saint Louis. There was a guest speaker present, and the Future Homemakers of America were dressed to represent different countries.

The junior football team and pep squad are now organized, and are looking forward to their first game.

The leaders of the junior pep squad are as follows: Drum Major, Sharron Haby; Linda Beck and Melony Keller, Majorettes; Beverly Adams, Kay Biediger, Dilores Ybarra, and Barbara Biediger, Cheerleaders.

JUNIOR MISSION BAND SCHEDULES MEETING

Junior Mission Band of St. Paul's Lutheran Church will meet Saturday, Nov. 9, in the church annex under the direction of Mrs. Leslie Schlentz.

Officers of the Mission Band are: Geneva Moehring, president; Kathryn Schlentz, vice-president; Lynette Moehring, secretary-treasurer; and Larry Grell, reporter.

The band meets the second Saturday in each month.

VISIT LONGHORN CAVE

Ignacio and Elvira Ramirez and Ramon Somonigo of Hondo were recent visitors to the Texas Longhorn Cavern near Burnet.

Wheat Growing Limitations Listed With New Feed Law

A new Feed Wheat Law was recently passed by the Congress and approved by the President permitting farmers whose wheat acreage allotment is less than 30 acres of wheat for use exclusively on the farm where produced. The new provision will apply only to 1958 and future crops, and does not apply to the 1957 and prior wheat crops.

A number of limitations are placed on the production and use of wheat under the new provision. Producers, to be eligible to grow up to the 30 acres without penalty, for the 1958 crop, must sign an application prior to planting time on the farm, or October 15, 1957, whichever is later, and the application must be approved by the County Agricultural Stabilization and Conservation Committee. These applications will be available in the ASC office soon.

If the producer signs up for the feed wheat exemption provision, under the law the entire crop of wheat must be used on the farm where produced for seed, human food or livestock and poultry feed. Not more than 30 acres of wheat may be grown on the farm, and none of the wheat may be sold, bartered, or exchanged, nor will it be eligible for price support.

The livestock or poultry fed must be owned by the producer, or subsequent owner or operator of the farm. It may not be removed to another farm for any purpose.

If the wheat is to be ground into feed or flour at a mill, all of the processed product and by-products must be returned to the farm. The producer may not pay for the service of grinding by giving the by-products or any of the grain to the mill.

The provision in effect under

past programs permitting producers to market wheat without penalty where harvestings are 15 acres or less regardless of the size of the wheat allotment will still be available to producers on farms which are not participating in the feed wheat exemption provisions. However, any producer who elects to participate in the feed wheat exemption provision of the program will not be eligible to market any of his wheat, and the 15 acre provision will not apply to the farm.

The exemption relating to the feed wheat provision is not automatic and only those producers who execute a proper application by the final sign-up date, and such application is approved, will be eligible to use this exemption.

A producer who participated in the 1958 wheat acreage reserve of the Soil Bank will not be eligible to use the provisions of the 30 acre feed wheat amendment.

By Mrs. Louis Stein

Mrs. Roy Tschirhart and children and Mrs. Albert Tschirhart visited M&M George Echtle and family at LaCoste Sunday.

M&M Louis Stein and niece Mary Ann Tschirhart attended the Carnival at Devine High School Saturday evening.

Roy Tschirhart attended a cattle sale at Austin Thursday.

Carl Mangold was at Castroville Sunday evening.

Louis Stein, Leroy Stein and Eugene Mangold were Hondo business visitors Monday morning.

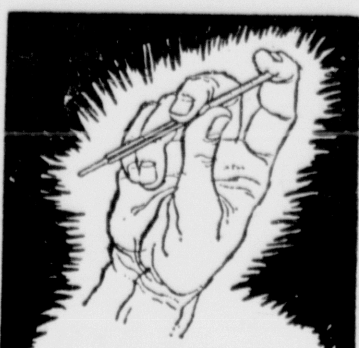

M&M Oscar Tschirhart and family entertained with an ice cream party last Thursday night. Present were M&M Albert Tschirhart, M&M Roy Tschirhart and family and M&M Louis Stein and son.

M&M Amos Hitzfelder and daughters of SA and M&M Max Hitzfelder and son of Natalia were guests of M&M Wm. Hitzfelder Sunday.

The Friendly Ladies Club met with Mary Hitzfelder Tuesday.

SOUND ADVICE FROM

FLY DRUG CO.

ASIATIC FLU

BE PREPARED Asiatic flu is an infectious disease. It is easy to catch, has no known cure, usually spreads to epidemic proportions.

PREVENTION IS POSSIBLE The only practical preventive known to medical science is influenza vaccine. Go to your physician and get protection with a shot of vaccine. One is all you need.

THE SYMPTOMS include any or all of these: sudden fever, chills, headache, sore throat, cough, body aches. When these appear, it's too late for vaccine. Go to bed and follow your doctor's orders.

THE SAFEGUARDS: DO - eat sensibly - get enough rest - drink plenty of water - wash hands often. DON'T - get overtired - overeat - mingle in crowds - visit flu victims

And, check your medicine cabinet for a reliable thermometer, mouth washes, gargles, soaps, aspirin and other needs. Stop in, let us help you keep prepared.

Do you realize how fast America is growing?

(...and making new opportunities for you!)

Right now America is in a period of tremendous growth. In the long run, this means more jobs, more money, more security, more homes and more opportunities for *all* of us. Whether you're an industrial worker, a farmer, a house-

wife or a businessman—you can profit from America's new and soaring growth. Here are nine ways America is growing now as it has never grown before — giving millions of Americans opportunities they have never had before!

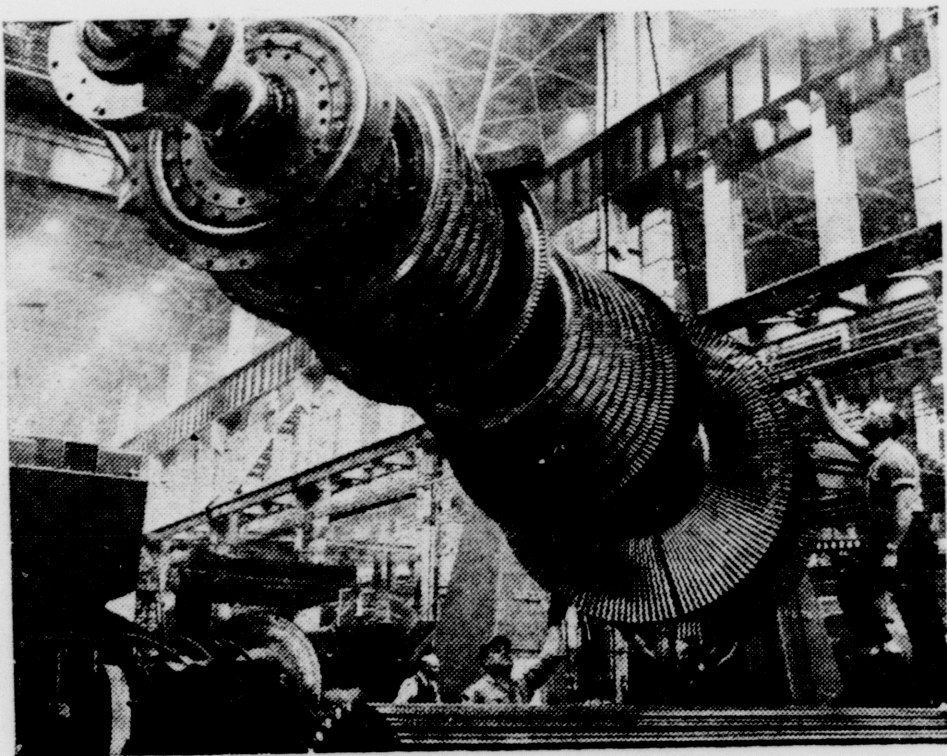

11,000 BABIES are born in the U.S. every day! Each month we add to our population enough people to make a Richmond, Va., or a Syracuse, N. Y. This means a huge new demand for everything we eat, wear or enjoy.

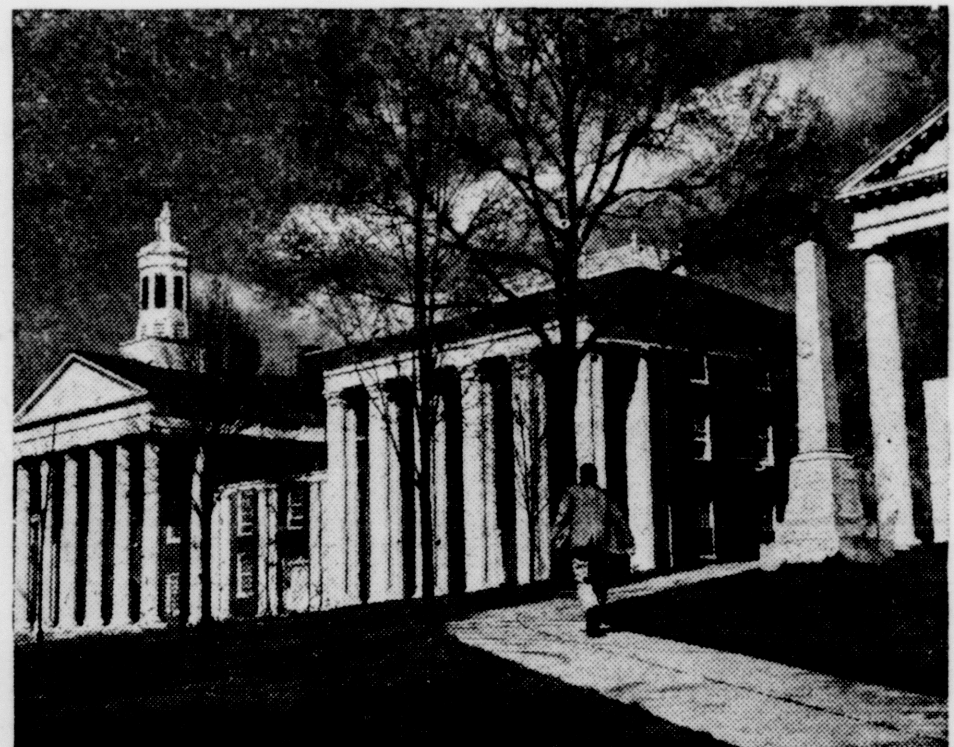

MORE JOBS— Even though employment in some cases has fallen off, we still have twenty *million* more jobs than in 1939. And every time a new invention comes along it means even *more* jobs.

MORE MONEY — In spite of inflation and higher prices, the American people have over *twice* as much spending power now as they had in 1940. *Nine* times as many Americans now have an income of \$5,000-plus.

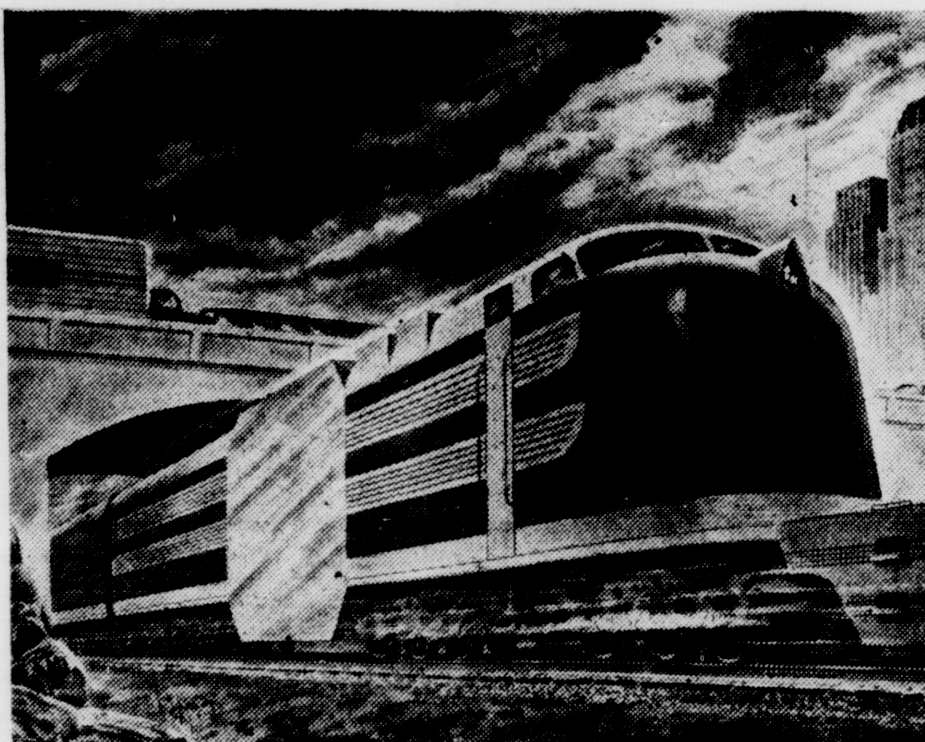

INDUSTRIAL GENIUS — America's know-how with machines has tremendously increased output. Today 98% of all work is done by machines. There's more power in a modern automobile than in the average factory of 1890.

MORE STUDENTS are in our high schools and colleges. (Present college enrollment: 2,377,000.) This means that tomorrow's American public will be the best-informed and most productive public in our history.

LEISURE TIME and travel time are on the upgrade in America. Forty million Americans get paid vacations. This is a great boon to the hotel and transportation business, to the sports, hobby and entertainment fields.

ATOMIC ENERGY opens up a dazzling new vista of opportunities. Soon locomotives can be driven by atomic energy, as well as power plants, planes, cars. Barring war, the atomic age should be America's *greatest* age!

SPIRITUAL INTEREST in the U.S. is growing fast. Membership in religious congregations has increased at *twice* the rate of our population growth. Our religious gains will help us make the most of our material gains.

H. D. NEWS

The LaCoste H. D. Club met on Tuesday afternoon Oct. 22, in the home of Mrs. Seraphina Bohl. The members answered roll call. Florentina Bohl volunteered to make the candy wreath for the Christmas party. The Christmas party was held in the home of Mrs. Bohl on Nov. 6, at the LaCoste High School.

The Food-Leaders, Mrs. Lillie Carroll and Mable Heisser gave a demonstration on "Light Family Supper". The next meeting will be on Nov. 12, an all day anniversary party held in the home of Miss Florentina Bohl.

The first meeting of the Castroville Jr. High 4-H was held Oct. 11 at the high school. The meeting was called to order by the newly elected Agent, Mrs. Estella Bohl. The purpose of the meeting was to elect officers for the 1958 term.

They are as follows: President, Mrs. Green; vice-president, Mrs. Whaley; secretary, Doris Borecka; treasurer, Bonnie Borecka; reporter, Doris Elaine Borecka; council delegate, Bettie Borecka; entertainment chairman, Beverly Nester; and entertainment committee, Robbie Borecka and Betty Jean Chapman. The club's adult leader is Mrs. E. Hood.

CROWNED AS EMPRESS OF THE ORIENT on Oct. 19 in Castroville was Miss Cappi Granieri, representing Castroville High School. The little princess to her left is Dorothy Bayer, who was selected from the Elementary School for the coronation ceremonies, at the school sponsored Parent-Teacher Association Carnival.

MISS 1957 CHRISTMAS SEAL—Carolyn Calvert of Austin, Miss Texas of 1957, aids her mother, Mrs. Robert W. Calvert, in preparing Christmas Seals for mailing over Texas. Mrs. Calvert is a long-time member of the board of the Texas Tuberculosis Association, and she and her daughter have spent many past pre-Christmas seasons working with Christmas Seals. Miss Calvert is the first named Miss Christmas Seal of Texas, adding another title to her previously acquired Miss Texas title.

GENE SUEHS WANTS TO SEE PAREE

With about a month left, Gene Suehs says he is really making the deals on GE appliances in an effort to get in on the trip to Paris being offered by General Electric to dealers who win the sales contest now going on.

Gene says he wouldn't be surprised to see them offer a trip to the moon next, since GE has long advertised that "Progress is our most important product."

Suehs will get credit toward the trip on the sale of any GE appliance, such as washing machines, dryers, the new combination washer-dryer, television sets, re-

frigerators, freezers, garbage disposers, and similar items. He says he is offering the best deals ever in an all-out attempt to make the trip.

There are a few 1957 model GE television sets available at a saving over the cost of the 1958 models. He is also offering a special gift for purchasers of any TV or major appliance.

Suehs says for anybody needing an appliance to come in and see him now, and if he wins the trip to Paris, he'll send you a picture post card — a real good one. (1t45)

MISS JEANETTE BROWN, Queen of this year's South Texas Vegetable Day and Frank Johnson, Manager of the San Antonio Produce Terminal examine the schedule for South Texas Vegetable Day, Saturday, November 9, at the San Antonio Produce Terminal market.

This year's Vegetable Day should break all previous records, according to Exposition officials. "With the abundant amount of rainfall we have had this year we are expecting the greatest Vegetable Day Show in the history of the market." These were the words of Henry Van De Walle, president of the South Texas Vegetable Day Association. Van De Walle also predicted that this year's auction will far exceed last year's record breaking total of \$13,360.00.

Harry Haltman Funeral Thursday, Burial Sunday

Services were held Thursday, Oct. 31, in Hondo for Harry Haltman, 45, who died of cancer two days earlier.

Mr. Haltman had called Hondo his home since 1950 when he moved here with his family from Pennsylvania. Active in civic affairs, he was a director of the Chamber of Commerce, an officer in the Veterans of Foreign Wars and participated in assisting with boys organizations — Boy Scouts and the Little Leaguers.

The deceased was born in Englewood, N. J. on June 11, 1912. He attended schools in Pennsylvania and Ohio, and on Dec. 31, 1938, he married Anna Dietrich, who survives him. Other survivors are a son, Harry Paul, 16, a daughter, Kay Lorraine, 11, foster mother, Mrs. J. E. Laurell of Florida, three brothers and two sisters.

Mr. Haltman was an active member of St. Paul's Lutheran Church. Services were conducted by the Rev. M. J. Loring of Comfort in Hanger Chapel. Interment was in New Castle Cemetery, New Castle, Pa., Nov. 3.

Entertain With a "Little Supper"

Be good to yourself... and to your guests. Entertain the informal "little supper" way. Feature one really memorable main dish, such as this quick 'n' easy Chicken Italiane. (What sheer simplicity! cans of spaghetti and boned chicken at a glance with onion and herb seasoning.) Add a crisp-green and well-dressed salad, a fragrant hot bread, a chilled fruit dessert, and lots of coffee.

Be sure the silver is shining, lay out linen napkins, light the candles. This "little supper" menu is designed to enhance your reputation as skillful cook and successful hostess. From start to finish, it's simple to prepare... and delicious!

Chicken Italiane
1 tablespoon butter or margarine
1/4 cup chopped onion
1/4 teaspoon oregano
1 can (5 ounces) boned chicken
2 cans (15 1/2 ounces each) spaghetti in tomato sauce with cheese
Cook onion and oregano in melted butter. Add chicken and spaghetti. Heat thoroughly. Makes 4 to 6 servings. (For buffet service, keep hot in chafing dish over alcohol lamp or candle warmer.)

Garlic Muffins
Split English muffins in half. Toast until lightly browned. Spread with butter flavored with garlic. Sprinkle lightly with grated Parmesan cheese. Place under broiler until golden.

CHICKEN SOUP FROM CHINA
Wonton Soup, hearty and exotic in flavor, is a wonderful luncheon main dish, a delightful beginning to lunch or dinner. Start with 2 cans (14 1/2 fluid ounces each) chicken broth; heat to boiling in a large pan. Add 1/4 pound of lean pork (thinly sliced), 1 cup thinly sliced mushrooms, 1 cup sliced Chinese cabbage, 1/2 cup uncooked broad noodles, 1/4 cup chopped celery, and 1 1/2 teaspoons soy sauce. Cook together at a low boil for 10 to 15 minutes, or until noodles are tender. At serving time, cut 1/4 pound cooked smoked ham into thin strips and place them in the bottom of a soup tureen or individual bowls. Then pour the soup on top. Makes 6 generous and heart-warming servings.

Okra, Cotton Stalks Must Be Destroyed

H. C. Massey, inspector for the Plant Pest Control Division of the U. S. D. A., says that farmers in Medina county can benefit two ways by destroying their cotton stalks immediately after harvesting their crop. Shredding the stalks and plowing the residue under six inches not only rids the farm of pink bollworms, boll weevils, and other insect pests; but also conserves soil moisture.

Massey said that at this time of the year the number of pink bollworms that are capable of living through the winter will increase each week. That the earlier a farmer destroys his cotton stalks, the fewer of these overwintering worms will hatch. Early and thorough stalk destruction will also prevent many overwintering boll weevils from hatching. Shredding the stalks before plowing the residue under is recommended for two purposes. First, high as 75 percent of the pink bollworms and boll weevils in the field during the operation. The second is that shredded stalks are a recommended soil practice to plow under this vegetable residue. Many Soil Conservation districts now own shredders which are rented to farmers as a part of their conservation program.

Massey then added that okra also harbors pink bollworms and will have to be destroyed by the same deadline as cotton. The State of Texas law requiring destruction applies to garden plots as well as to commercial plantings.

Benson Asks Hog Raisers Avoid Heavy Production

Secretary of Agriculture Ezra Taft Benson has asked hog producers to consider their production intentions for 1958 with special care in light of the present hog price situation.

Hog prices have been fairly good this year — running between \$17 and \$22 per hundred pounds through September. But what will happen to prices by fall of 1958 and the following year depends upon the number of pigs produced next spring. Too many sows farrowed early next year could mean a severe decline in price next fall.

Except for slight seasonal downturns, hog prices have been steadily recovering from a low point of around \$10 per hundred pounds to which they fell in June 1955. The gains of the past two years can be maintained only if supply is kept reasonably close to prospective demand.

The Secretary is concerned because conditions exist this fall which could stimulate producers to the extent that prices would again dip disastrously. And the market would be flooded with pork beyond consumers' demands.

Among factors which point to increased hog production next year is a large supply of feed grains at a relatively low price due to bumper crops this year. The number of bushels of corn that could be bought with the price of a hundred pounds of hogs has averaged slightly above 12 over many years. This Sept. 1 rose to a high of 16.6 bushels, and it is expected to run between 14 and 15 during the current breeding season. Such a situation almost invariably leads to increased farrowings.

Increased population should take care of a moderate increase in the 1958 spring pig crop, but growth in consumer demand for pork has been slow. The Department's market analysts warn that more than a moderate increase could lead to a repetition of the unfavorable price situation of late 1955. They think that at least a 7 percent increase is in prospect, and for a rain of size price declines might be exceptionally large. For increases above 7 percent the risk of sharp declines would be greater.

Joe Balzen, 79, County Native, Buried Oct. 30

Funeral services were conducted at Hanger Chapel, Wednesday, Oct. 30, by the Rev. William Durkop, for a life-time resident of Medina County. He was Joseph H. Balzen, 79, who died Monday, Oct. 28, 1957, following a lengthy illness.

Joseph Herman Balzen was born at Quihi, on December 20, 1879, a son of Henry Balzen and

wife, nee Marie Oefinger. He was baptized and confirmed in the Bethlehem Lutheran Church at Quihi.

On December 3, 1902, he was married to Miss Mary Reitzer. The couple made their home at Stormhill.

Surviving him are his bereaved wife, two sons, Hugo and Melvin, four grandchildren, three great-grandchildren, two brothers, Ernest and Arnold, two sisters, Mrs. Wm. (Bertha) Werner, and Mrs. Emil (Frieda) Britch.

Burial was in Quihi Cemetery. Pall bearers were: Elgin Stiegler, Walter Fuos, Edwin Schulte, Theo Reitzer, Udo Reitzer and August Leinweber.

WE REPAIR TYPEWRITERS★

Now that the dust has been settled, it's time to get last year's sand storms out of your typewriters.

There is nothing so damaging to a business machine as gritty sand in the works. Do-it-yourself oiling may make it operate, but it can also carry the sand deeper, shortening the life of your typewriter or adding machine.

Our trained repairmen can disassemble your typewriter, (any make), soak it in solvent, clean it thoroughly and put it back together so that it will work almost like new.

New machines need care, too. Even if your machine is only about a year old, there have been tons of dust in the air during the past year, and some of it has settled into your typewriter.

You gain an important advantage when you send your business machines to The Anvil Herald repair department for overhaul. Satisfaction is guaranteed, and we'll be right here to back up our statement if anything does go wrong with your machine. We've made

some mistakes. We've had to go back and re-do a few jobs that weren't exactly right, but we re-do them cheerfully, and don't rest until they are working properly if we are told about it.

Why don't you join the hundreds who have had their typewriters and adding machines cleaned and repaired by The Anvil Herald? Our customers thus far have included Texas Aviation Industries, U. S. Government agencies in Hondo, Texas State agencies in Hondo, Universal-Rundle Corporation, Hondo schools, many other schools and county officials in an eight county area, as well as many individuals and business firms.

If your machines need a check-up, just telephone HA 6-3346 and we'll be glad to give you quick service. If you need a loan machine, just say the word. We'll schedule a time when we can furnish you with a spare while yours is in the shop.

The Hondo Anvil Herald
Office Machine Repair Department

★More of them in the first nine months of this year than during the entire twelve months of 1956. Our repair and cleaning business is growing rapidly.

Wildcats Edge Owls 19-12

By Georg Gaston
Any title hopes nursed by the Hondo Owls through the '57 season came to a resounding crash

as an upset minded Carrizo Springs eleven turned back the injury riddled Owls, 19-12, and handed Hondo its second consecutive seven point district loss to narrow the running field for the coveted crown to Pearsall and Cotulla, each boasting 2-0 conference records.

I don't know where "lady luck" hibernates; Las Vegas, try as she may, surely can't claim her and (strictly speaking as an Owl) she certainly wasn't around Friday night. Taking a big hunk out of the birds line machine was the absence of four starters: Ends Butch Smith, injured ankle, and Bobby Ward, injured hand, and Guards George Brucks and Fred Graff bit by the flu bug. Adding to the woes of the Owls was a

highly elusive pigskin that refused to bounce in the flocks direction; three fumbles and an interception all proved costly with two of the bobbles originating in Owl territory and ending in Wildcat scores. The interception came late in the game and killed the Owls' last chance for pulling the game out of the ashes.

But the Owls by no means rolled over and played dead; the game being of the see-saw variety with the outcome in doubt until the fatal interception in the last period.

Carrizo opened the evenings scoring after recovering an Owl miscue on the Hondo 35. HB Jimmy Allen proceeded to lead the drive and ended it by plunging over from the two.

The Owls, following the opponents example, chinned their way right back into the ball game by scooping up a Wildcat gift on the enemy 25 late in the first period. After reaching the Carrizo 9, HB Sid Mercer carried on three successive quickies and climaxed the drive with a three yard scoring crash.

The second period drew a blank with both sides proving incapable of penetrating the double stripes. The Owls, however, came very

close. They drove deep into enemy territory and finally had first and goal. But on three successive plays an aroused Wildcat defense threw them back until it was 4th and 29. Nevertheless the flock didn't concede here and almost pulled the rabbit out of the hat. QB Thomas Shulte, the converted end who showed a fine passing arm with 6 for 12 completions, connected with End Jimmy Applewhite to the Carrizo one as the big Owl end was bounced out just shy of paydirt.

An exchange of touchdowns marked the third period and both elevens entered the final period fighting on even terms, 12-12. Wildcat Fullback V. W. Howard gave the opponents their second marker, bulging his way 10 yards. HB Billy Pitsavich greatly aided the Owl cause speeding his way 60 yards down the sidelines to climax a beautiful punt return. But all in vain! For Carrizo, recovering another Owl fumble on the home 25, soon tallied the games fifth and deciding tally with QB Jim Castellaw's one yard sneak marking the last chapter for the night birds; and the Owls had fallen prey to the Wildcats for the first time in many a moon.

Highlighting individual stunts were Shulte with his passing and Pitsavich with five receptions and interception along with the punt return. Tackle Gary Schweers and Bernie Zerr, forced to tackle by the injury invasion, played fine defensive games.

Pearsall

Next for the Owls is the big one. This one is the Pearsall battle, capable of spelling the season as a success or failure. The Mavericks are reported to have a fine

ball club and own a 7-1 season mark. Their lone defeat was at the hands of strong Del Rio. In district play they show victories over Carrizo Springs and last week's victim, Dilley. Big offensive guns are backs Vidal Villarreal and Gary Stacy. Stacy also kicks an accurate conversion.

Carrizo: Touchdowns: Allen (2 yards, plunge) Howard (10 yards, run) Castellaw (1 yard, sneak) Conversion: Allen

Hondo: Touchdowns: Mercer (3 plunge) Pitsavich (60 yards, punt return)

Hondo Lions Sponsoring Show On 25th

Members of the Hondo Lions Club are selling tickets to a show they are sponsoring on Monday night, Nov. 25, in the High School Auditorium. It is "Hypnotic Marvels", starring Professor Russel K. Barron.

Barron will demonstrate hypnotism in all its exciting and mysterious phases, according to W. J. Kelly, president of the Hondo Lions.

Race Winner

Jerry Koch was a trophy winner at the Castrovilla Drag Races held at the Castrovilla Airport, Sunday, Oct. 27.

Using a '56 Chevrolet, Koch's speed in the D-Gas class was 90.36. He is the son of Mrs. Elyne Koch of Hondo.

"Can you imagine anybody crazy enough to get up this early in the morning to go fishing?"

Hwy. 90 Wreck Sunday, Nov. 3rd

The Medina County Sheriff's Department investigated one wreck during the past week, according to Sheriff Charles Hitzfelder.

The accident happened on Nov. 3 out near the roadside park on Highway 90. Both cars were headed east when the '57 Ford driven by Albert Lewis Bell of Nashville, Tenn. hit William Pierce Kellogg, of Uvalde, who was driving a 1951 Buick.

Estimated damages to the Buick were \$150, and to the Ford, \$200.

FARMERS MUST FILE S. S. TAX RETURN

Most farmers will file their 1957 tax returns by February 15, 1958. They should be sure that their net earnings are clearly shown along with their name and social security number. They must file a social security tax return from farming of as much as \$600 and net earnings of \$400 or more.

For further information see Luke Wade, who will be in Hondo at the District Courtroom on Tuesday, Nov. 12, at 9:00 a.m.

NO FOOD FOR DEER, LANHAM KILLS SNAKE

On the way out to feed some deer Tuesday evening, Sam Lanham noticed a rattlesnake going across the road.

After shooting it through the head a sufficient number of times to discourage the creature, Lanham brought it back to town.

About five feet long, it was carrying eleven rattles. The deer had to go without feed last night.

CROW'S MEN'S WEAR

LT. COL. John O'Donnell bows em over for the photographers before fitting out at the new base bowling lane. Hondo's most recent reaction center opened last Friday, is open to the public.

REMEMBER WHEN . . .

10 YEARS AGO

In the election held last week in Castroville, on incorporation, votes were cast, 140 of them in favor of incorporation of the town and 86 against. Three votes were disqualified.

The Hondo Volunteer Fire Department was paid a high compliment Saturday morning, for excellence in putting out fires must be getting around, because now they are getting shipped by rail to Hondo. No kidding, that's the way it was. A carload of four caught fire out of town when the train got to Hondo. The fire department came and extinguished the fire.

Manuel "Pete" Loring played well from his position as Texas Luther College of Seguin blanked strong Brownsville Junior Scorpions 19-0 last Saturday night in Seguin.

20 YEARS AGO

ANCEY — Mrs. F. W. M. Falk entertained the dinner set with a tacky party her home last Friday evening. Stanley Wiemers won first for boys, and Melba Rie- of D'Hanis won first for girls. Everyone had a good time.

Outbound shipments from the depot fell off somewhat last week, consisting of cars of hay (believe it or not, one of broomcorn and one of cattle, the latter being shipped by Mr. W. J. Nester to Fort Worth Building, traveling and farm operations, however, seem to be still on the "up and despite the continued dry weather. In bound shipments consisted of one car of lumber, one of cement, one of gasoline, and feed products — hulls and

30 YEARS AGO

M. W. N. Sathoff gathered two bushels of ripe lemons from a lemon tree in his yard a few days ago. The lemons in the first bushel averaged two and a half each and the second held forty lemons. The still has forty large lemons and fifty small ones on it, still blooming.

ANCEY — Last Friday we had some excitement in our community at 9 p.m. a burglar entered the home of Mr. F. E. Faser. Mrs. Faser were in the room, and hearing footsteps in the hall, thought one of the burglars had returned from the house, and, upon calling, the burglar fled.

40 YEARS AGO

Among the visiting soldier boys Saturday and Sunday here were Roland and Hans Faser, Earl Starnes, Mimke Wiemers, Oscar Taylor and Wendland.

The football boys of Hondo School and a team from the 6th Cavalry in Camp here, played a game here Thursday morning in which the Army boys won in defeat by a score of 10-0. The Army boys struggled hard but they were outplayed by the high school boys. Our boys have a clean record thus far this season, having lost a game. It is rather monotonous, this string of victories, but we suppose we will have to endure it to the end of the season. There doesn't seem to be an aggregation in this section that can

50 YEARS AGO

A heavy rain fell here last Sunday and on Sunday night turned cold. Tuesday afternoon and evening it sleeted and Tuesday night a killing frost formed. Such a severe fall of weather to begin with unusual even in this section. Fresh weather and the change from mid-summer to mid-winter cold has been felt very acutely by everyone, and most especially by those who are so unfortunate to have no stoves.

CASTROVILLE — Mr. Max Faser and Miss Lizzie Faser of Idlewild neighborhood, were happily united in the Holy bonds of matrimony at the Parsonage residence here on Tuesday afternoon Nov. 5, 1907. Father Kirch performed the ceremony. The attendants were Mr. Henry Franger and Miss Bettie Bippert and Mr. Schmidt and Miss Martha Faser.

John, the baker, visited San Antonio Fair Wednesday. The brick work on the State Building is nearing completion.

4-H's Lead the Way to Safety

The future looks brighter for more people because more 4-H Club members than ever before are being trained and educated in safety. Participation in the 1957 national 4-H safety program enables them to make their homes, farms and communities safer places in which to live and work.

Boys and girls between the ages of 10 and 21 throughout the state are learning safe practices that will pay dividends later in life whether they reside on the farm or in the city. Conducted by the Cooperative Extension Service, the 4-H safety program has been supported continuously since 1945 by General Motors.

Incentive awards offered to 4-H'ers for superior achievement include distinctive medals, college scholarships, and educational trips to the national 4-H Club Congress held annually in Chicago.

Caution Necessary As Cold Weather Brings More Fires

Fire cost the nation's farmers last year an estimated \$145 million. During the past 10 years, almost a billion and a half dollars worth of farm property has gone up in flames, according to economists in the USDA's Agricultural Research Service.

As the weather becomes colder and heating equipment is put back into active service, the chances for fires takes a big jump. The USDA survey shows that farm fires are due to 7 principal causes and most are preventable. The chief causes are: faulty flues and heaters, combustible roofs, spontaneous combustion, matches and smoking, defective electrical wiring, gasoline and kerosene and lightning.

"All heating equipment should be checked carefully and adjusted by a qualified person," says the Councilmen. A check of all lines and connections should be made for leaks, and flues and chimneys should be thoroughly examined for cracks and breaks. "The most important item of all," points out the Council, "is don't give fire a place to start. In other words, prevention by following the rules of good safe farm and home living can save not only the loss in dollars but also the misery and suffering from injuries and even death to family members. Some 3,500 rural residents annually are killed in farm fires and another 300,000 persons are injured," says the Council.

Too, most deaths from fires involve the very young and the old . . . those less able to make their exit from a burning building. Provisions should be made for getting such persons out of a building and for that extra insurance, the councilmen believe every farm home and other buildings should be protected by some type of fire fighting equipment including extinguishers. But to be effective, extinguishers and other equipment must be in top operating condition. Check it regularly to make sure it is ready for use in case of an emergency.

Deaths from fire have been relatively low in our country and every citizen should strive to keep a good record.

Seco Philosopher Claims

World Has Caught Up With Him, It's Now Short Of Capital Too

Editor's note: The Seco Philosopher on his Johnson grass farm claims the world is catching up with him, but catching up hardly seems the right phrase.

Dear editor: I know a lot of people think I'm backward, either opposed to progress or unable to achieve any, but I can't be held responsible for other people's ignorance, and would like to point out that in some respects I'm ahead of my time.

For example, I was reading in a newspaper last night which I picked up in Hondo the other day — somebody had dropped out on the street and while I can't go around picking up after other people, I made an exception in this case, for all I knew, the Russians had changed dictators again and I thought I ought to keep posted, although which dictator is dictating in Russia is about as important to me as which tire went flat first when all four are down — as I say, I was reading in this paper where some of the heavier thinkers in Washington are worried because they've discovered there's a world-wide shortage of capital now afflicting mankind.

They said this is a serious situation and something ought to be done about it.

What this means is that the world has finally caught up with me. I've had a shortage of capital out here on this farm ever since I can remember. If the world is just now reaching that stage, it's been years behind me.

However, I'd like to suggest to the thinkers in Washington that the situation isn't as bad they imagine.

I mean, a shortage of capital isn't the worst thing on earth, and if it is, a lot of people are sure making the most of a bad situation. Sit down right now and run up in your mind the number of people you know who aren't bothered by a shortage of capital. One of the hardest things on earth to do is to find somebody who isn't a little short on the stuff, whether it's your neighbor or a business man in town or a big corporation. Everybody needs a little more capital.

But the world needn't worry too much about this. I know people who have lived very satisfactory lives and been short of capital 99 per cent of the time. In fact, if Washington is gonna worry because me and the rest of the world are short on capital, it's got an everlasting job. Yours faithfully, J.A.

fletcher davis

and the Rio Grande. The Telamantes and his men were captured and hung.

"I do not doubt but that he had earned his fate, but when I recalled his many good qualities I could not help feeling regret that he had come to such an end. I saw him last in 18, in San Antonio, when he offered to sell me one hundred and fifty choice mules, which were concealed somewhere in the mountains near Devil's River. He proposed to let me have the entire lot at a bargain, but I declined the offer. He was a bold fellow, and if he was a thief he took desperate chances in enterprises that required brains that gave him control over men. He would have scorned the methods practiced by com-

mon thieves and highwaymen against me.

"The incident occurred in 1867, when I was returning from Eagle Pass and after I had delivered the Castroville mail-sack to Mr. John Vance, the postmaster. A few minutes later he returned with the mail-pouch for San Antonio, and I paid him a twenty-dollar gold piece that John Kenedy, of Sabinal had requested me to give him. I had taken it from a sack that contained about fifty dollars in Mexican silver, which I returned to the proper place under the seat during his absence.

"I was about to continue my journey when two men advanced and engaged two seats in my hack to San Antonio, for

which they paid me five dollars. I had noticed them at the postoffice when I exposed my money bag, and, doubtless, they supposed the coin was all in gold, when I took the gold piece from it, which they saw. There was nothing suspicious in their appearance, and I was pleased to have their company.

"The distance from Castroville to my father's house, where I changed my team, was only four miles, and we passed an unusual number of people on the way. Soon after starting an unaccountable feeling caused me to form an unfavorable opinion of my passengers and made me suspect that they were not all right, and the sequel will show that my impressions were correct.

"While the horses were being changed I greased the axles of my hack as usual, and when through the four-pound monkey-wrench which I used was returned to the tool-box in front. When ready to start I noticed that the cushion of the rear seat, which my passengers were waiting to occupy, did not fit properly, and I reached over to straighten it. As I raised the right-hand end I saw under it the monkey-wrench that I had replaced in its proper receptacle a half-hour before.

"In the meantime no one but the two men had been near the vehicle, and I was convinced that they had placed the wrench in that place with murder before.

(See DAVIS, Page 8)

heat every room *uniformly*

with a **GAS**

CENTRAL HEATING SYSTEM

If you're building a new home, or concerned with the heating system in your present home, consider the advantages of a CENTRAL Gas Heating System. You get fresh filtered air, uniform heat throughout your home, with no hot spots, cold spots or drafts . . . plus the economy and dependability of natural gas. You have your choice, too, of a single, compact GAS unit for both winter heating and summer cooling, or a heating unit alone. Ask your heating dealer about your particular heating problem, or talk to a heating engineer at your gas company office, now.

See "Playhouse 90" on CBS-TV. Co-sponsored by the natural gas industry.

Nester's Food Market
1705 19th Street
Hondo, Texas
Dear Mr. Nester:

Thanks very much for shipping the sausage to California for me. A check is enclosed to cover the invoice.

I got a telegram from Claude Lakey in California Thursday afternoon saying "Hondo shipment of gold arrived in perfect shape — spirit of joyfulness prevails throughout Southern California."

That was pretty good postal service and he was certainly glad to get the sausage.

I'll drop by to see you the next time I'm thru Hondo.

Sincerely,
VERNON MAYFIELD

QUIHI NEWS

By Mrs. Jack Sharp

By Mrs. Jack Sharp

M&M Edward Stapleton and children of SA were Sunday visitors in the home of M&M Jimmy Gray and children.

Friday evening visitors in the home of M&M Wilkes Wiemers and children, Joyce, Judy and Duane, were Mrs. Joe Fenn of Paducah, Ky., Doris Wiemers and George Steele, of SA, M&M Douglas Bohmfalk and Gordon, M&M Frank Muennink, M&M David Wilson and children, Dolores, Alan and Margery and M&M Jack Sharp. Mr. Wilson showed films which had been taken in Alaska, Canada, and various parts of the United States. Mrs. Wiemers served homemade ice cream.

Wilbur Lindeburg of Sul Ross spent the weekend visiting his parents, M&M Shirley Lindeburg.

Sunday evening visitors in the home of M&M Herbert Reiter were M&M Arnold Lindeburg and M&M Chester Saathoff and children.

Kathy Britsch was an overnight guest of Kathy Mooney on Friday.

Sunday visitors in the home of M&M A. W. Mooney were Mrs. Willie Hartmann, Mrs. Katie Muennink and M&M Arthur Schlentz.

Those who enjoyed a barbecue dinner with M&M Andrew Muennink and Janice on Sunday were Misses Lillie and Nellie Muennink, M&M Clarence Rieden and Mrs. Beverly Scheweers of SA, Lloyd Muennink of Corpus Christi, Jerry Muennink and Cleo Helms of Austin, and M&M Frank Muennink.

Wednesday evening visitors in the home of M&M Geo. Hartmann were M&M Arnold Nietenhoefer and M&M Arthur Schlentz.

Sunday visitors in the home of M&M Jacob Scheweers were M&M Charles Scheweers, and Mrs. Bill Santeleban and daughters, Freda and Carolou.

Bill Durkop of SA spent the week with his parents M&M Wm. Durkop.

Those who helped Connie Saathoff, the daughter of M&M Rolf Saathoff, celebrate her birthday Friday evening were her parents, her brother, Bruce, her grandmother, Mrs. Hubert Berger, Al-

CASTROVILLE W.M.S. HOLDS MEETING 30TH

CASTROVILLE — The W.M.S. of Zion Lutheran church held its regular meeting Wednesday, Oct. 30. Mrs. Robert Eckert gave a talk on Stewardship of Self. The business meeting followed and Mrs. Floyd Santeleban, Mrs. Marvin Koenig and Miss Hattie Bippert were appointed as the nominating committee.

The Hostesses for November will be Mrs. Leo Reicherzer, Mrs. Floyd Santeleban and Mrs. Fritz Wieblen.

Flowers for the altar for November will be furnished by Mrs. Fritz Weiblen Nov. 3, Mrs. Robert Eckert Nov. 10, Mrs. Erwin Loessberg, Nov. 1, Mrs. Chas. Loessberg, Nov. 24 and Thanksgiving Mrs. Irene Bendele will place flowers on the altar.

Plans were also made to have a "bake sale" the early part of Dec. The members of the W.M.S. are asked to bring homemade cookies to the next meeting, Nov. 20 for the Lutheran Service Center in San Antonio.

Refreshments were served by the hostesses, Mrs. Walter Eichhorn, Miss Alma Etter and Mrs. Erwin Loessberg.

NEW BABY DEPARTMENT

Mrs. Guido Richter reports a new grandchild, Helene Graves, daughter of Mr. and Mrs. Charles W. Graves Jr. of McKinney, arrived on Oct. 7. She has two brothers, Robert, 16, and Jimmy, 12, and has the distinction of being the only granddaughter on both sides of her family. In addition to the Richters of Hondo, the other grandparents are Mr. and Mrs. C. W. Graves Sr. of McKinney.

NATALIA FFA BOYS ASSIST AT FESTIVAL

The F. F. A. Chapter collected materials for the decoration of the Festival, on Oct. 25th, from different areas in the community.

Members of the chapter cut green willows and other shrubbery to decorate the platform where the King and Queen were crowned. They also participated in hauling of tables and chairs for the arrangements of different booths.

Wurzbachs Hold Basket Picnic And Reunion

By Mrs. Clarence Huegele

RIO MEDINA — The descendants of M&M Charles T. Wurzbach held a basket picnic reunion at the home of M&M Edwin R. Wurzbach Rt. 4, SA, recently. Attending were: M&M Joe W. Steidle and family, Misses Katy and Clara Wurzbach, M&M E. C. Huegele, M&M Allen Huegele and Shirley Ann, M&M Carl Steidle and Family of SA, Mrs. O. W. Huegele, Colvern Huegele of Rio Medina, M&M Oscar Schuehle of Fredericksburg, M&M Joe H. Steidle of Dunlay, M&M Edward Mechler, M&M Claude Tondre and family of Castroville and the host and hostess. There were 34 present.

Mrs. O. W. Huegele has as her guests for a Turkey dinner Tuesday evening, Major and Mrs. Vinson Huegele, son Vinson of Barksdale, AFB, La., M&M Ewin R. Wurzbach, M&M E. C. Huegele, Misses Katy and Clara Wurzbach of SA, Mrs. Clarence Huegele, and sons Colvern and Morgan. Clarence Huegele had to miss the dinner as he was ill with the flu.

Major Huegele had just returned from a mission to Labrador and Washington, D. C. and Mrs. Huegele and son from a visit to her parents, M&M Joe Burkett, of Georgiana, Ala.

Mrs. Alexandrina Ahr of Pipecreek, spent several days with Mrs. R. E. Haby last week.

M&M Clarence Huegele and sons visited Mrs. Allen Huegele in a SA hospital where she had undergone surgery Friday. She is doing nicely.

Mrs. Quintin Haby and sons visited her parents M&M Alfred

Alamo Lumber Co.

HONDO, TEXAS

Proved and approved around the world and now it's here for you... the 58 FORD

One look tells you... there's nothing newer in the world!

New deep-sculptured styling

New Interceptor V-8 power

New Cruise-O-Matic Drive

New Ford-Aire Suspension

New Magic-Circle Steering

The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.

Here's a car so new, so beautiful it made eyes pop from Paris to Pakistan . . . a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Induction. Come in and let us show you the world's most beautiful new bargain!

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford's new air suspension reveals the car every time someone steps inside or luggage is loaded. An extra cost option, you get all this at traditionally low Ford prices!

You'll steer with a leather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling. Easy free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

Come in today...

Action Test America's only world-proved car!

Not A Safe Decision

Change In Brake Testing Standards Called Mockery

Relaxing of standards for testing brakes on Texas motor vehicles "makes a mockery" of the State's Automobile Inspection Law, the Highway Safety Council has charged in a letter to the Chairman of the Public Safety Commission.

Executive Director G. C. Morris, of the 1,000-member Highway Safety Council, protested the Commission's recent order cancelling the directive that authorized inspection stations should "pull wheels" to inspect brake linings, condition of drums, and fluid level on hydraulic systems.

"It is a recognizable fact that you cannot check brakes by road test only," Morris told Dyche.

"As a result of the action taken by your Commission, the inspection of brakes becomes a farce because brakes can now be tightened sufficiently to pass inspection when there is little, if any, brake lining."

Morris disputed the Commission's contention that there is no way to check the adequacy of brake linings and said that there are methods by which this can be made "uniform and not left to chance."

"Under your decision," Morris wrote, "a braking system could be approved which did not have any fluid in it and such a condition makes mockery of the purpose of the law."

Morris expressed the desire that the Highway Safety Council be given an opportunity to present "the side of safety" to the Commission on this decision.

3 HONDOANS ELECTED TO SUL ROSS SOCIETY

The Sul Ross State College Faculty Membership Committee for Alpha Chi has announced the names of seventeen seniors, seventeen juniors, and eight graduate students who have been elected to membership in the Texas Chi Chapter of the Alpha Chi National Scholarship Society.

Alpha Chi is a national honor society which has as its object the stimulation, development and recognition of scholarship, character and citizenship. The members are chosen from the upper ten percent of the senior and junior classes and the preceding graduating class.

The 1957 fall selection includes three 1955 Hondo High School graduates, Wilbur Ray Lindeburg, Mary Jo Meyer, and Monette Schweers O'Day.

Wilbur, a transfer student from Texas Lutheran College is a junior working towards a degree in Chemistry. An active member of the Clip and Brand Club at Sul Ross, he is the son of Mr. and Mrs. Arnold Lindeburg, Bandera Route, Hondo, Texas.

Mary Jo is a junior majoring in Elementary Education. Active in various campus organizations, she was recently elected to membership in Sigma Tau Delta, National Honorary English Society, and Kappa Delta Pi, National Honorary Education Society. She has also been elected to serve as Vice-president of Schem Literary Society. Parents of Mary Jo are Mr. and Mrs. Joe W. Meyer, 1152 25th Street, Hondo, Texas.

Monette is a senior student majoring in Elementary Education. Also a member of Kappa Delta Pe and Schems, Mrs. O'Day was elected Campus Favorite by the student body last year. Bob O'Day was also included in the Alpha Chi selection. A senior majoring in Physical Education, Bob was elected to Who's Who last year and is a

member of the P. E. Majors Club and on the Lobo baseball squad. Monette's parents are Mr. and Mrs. Marvin F. Schweers, 1159 24th Street, Hondo, Texas.

A NEW KIND OF CAR IS BORN!

Tomorrow at Your Pontiac Dealer's!

BOLDEST ADVANCE IN 50 YEARS!

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors.

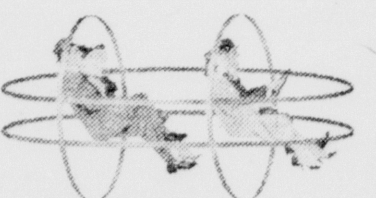

This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

Tempest 395 PERFORMANCE

Try Pontiac's new jewel-like action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion* and Fuel Injection*.

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

*An extra-cost option.

CARD OF THANKS

CARD OF THANKS
The kindness and sympathy of
neighbors and friends in our re-
cent sorrow will always remain
with us as a precious memory.
Our sincere thanks and gratitude
Mrs. W. J. Nester and family.
(1tc45)

CARD OF THANKS
We desire to express to our
kind neighbors and thoughtful
friends our heartfelt thanks for
their many expressions of sym-
pathy. The beautiful floral offerings
were especially appreciated. To
the Reverend W. Durkop and the
choir, your services will be long
remembered.
Mrs. Joe Balzen and family.
(1tp45)

CARD OF THANKS
Our heartfelt thanks to all who
extended comforting sympathy
and help in our recent sorrow.
For the beautiful service, floral
offering, and other kindnesses, we
are deeply grateful.
The Family of Pablo Gutierrez.

Soprano To Be Featured At Symphony Concert 9th

A brilliant highlight of the San Antonio Symphony concert season is the appearance of Elisabeth Schwarzkopf, soprano, on the Saturday, Nov. 9, program, 8:15 p.m., in the Municipal Auditorium.

For Elisabeth Schwarzkopf is currently the singing sensation of America. History was made on November 25, 1956, when Carnegie Hall in New York was sold out for the first time for a Lied Recital.

In her first San Antonio appearance, M m e. Schwarzkopf will sing the "Last Songs" of Richard Strauss. The first American premiere of the songs was given by the San Antonio Symphony Orchestra under the late Max Reiter on November 25, 1950, with Kirsten Flagstad as soloist.

Conductor, Victor Alessandro, will open the second half of the coming concert with the brilliant music of Rimsky-Korsakoff's "Capriccio Espagnole". Also programmed are Andante from the "Nordic" Symphony by Howard Hanson and Handel's "Water Music".

Tickets are priced at \$4.50, \$4.00, \$3.25, \$2.50, \$2.00, \$1.75 and \$1.25 and are now on sale at the Symphony box office at the Audi-

torium. Mail orders will be filled promptly and reservations may be made by calling CA 6-2269.

Castro Girls Have Program On United Nations

The F. H. A. girls of St. Louis Castroville held a program for United Nations Day in front of school. They were assisted by Moyer Military Band Ensemble.

Mary Ethel Corder carried the United States Flag and Patsy Keller carried the United Nations Flag. Representing nations were: Sophie Cadena, Spain; Carol Rihn, Japan; Kathleen Lutz, U.S. Mary E. Schott, Holland; Ida Tschirhart, Africa; and Janice Haby, Arabia.

Lt. Col. John Kessler, was guest speaker from Lackland air base.

The Home Ec. class encircled the flags and sang the song: Around the World.

Rev. Father Leo Goertz of Castroville said the prayer for peace. In closing, the Moyer Military Band Ensemble played the Star Spangled Banner, the F. H. A. and St. Louis students singing with them.

O. L. L. Alumna Organize Group

Eight ex-students of Our Lady of the Lake met Saturday, Nov. 2, in D'Hanis to form an alumna chapter of O.L.L. of former students from Uvalde east to Castroville.

Five sisters present from the school to assist in organizing were: Sr. Presentation, Sr. Envalada, Sr. Henry, Sr. Mary Isabel and Sr. Clarita.

Alumna present were: Mrs. Amos Finger, who was elected president, Mrs. Earl Marquart, who was elected secretary, and Miss Carrie Langfeld, Dr. Faye Wurzbach, Mrs. Arnold Finger, Mrs. W. O. Rothe, Mrs. Joan Fokes, and Miss Cornelia Koch.

Mrs. Maurice Rihn is to represent Castroville; Mrs. Rothe, Hondo; Miss Koch, D'Hanis; and Mrs. Fokes, Uvalde.

Cookies and coffee were served by the hostess group from D'Hanis.

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN

Gov. Price Daniel's special session legislative program apparently is on the way to being passed — with additions and changes here and there.

Both Senate and House passed water bills — differing quite a bit from each other, and even more from the measure the governor requested.

Governor Daniel asked for a statewide water planning division with an appropriation of \$1,024,000. He also asked for state authority to contract with the federal government for water storage in federal reservoirs.

Cut out of the House Bill was the water storage provision. Appropriation also was reduced to about \$951,000.

Senate cut the appropriation to \$600,240 and gave the proposed new division authority to do research, but not to formulate an overall plan. It authorized construction only if they are first approved by the Legislature.

Biggest wrangle came when some House members tried to insert an amendment that would allow landowners to use water from small farm lakes for irrigation. Present law limits these lakes to domestic and livestock uses except with a special permit.

Result was a city vs. farm battle of the sort that has derailed overall water programming efforts for years. Amendment was added in the House.

Lobby Proposals

After all the furor, both House and Senate lobby control bills looked pretty mild.

Both would require registration of paid lobbyists and reports on how much they spend to influence legislation (over \$50 in the Senate bill; over \$25 in the House bill).

Neither would require details on how the money was spent.

A proposed substitute measure in the House would make the lawmakers responsible for reporting money spent on them by lobbyists.

Secret Study Proposed

Supporters of the crime study commission bill were dismayed at the turn it took in the House.

Before passage, the House put in a provision that the commission's sessions should be behind closed doors. It also gave it no power to subpoena witnesses. It was the secret session part

which disturbed the governor. Main purpose of the commission, he said, was to give the public more information on law enforcement and crime prevention.

Tangled Trail

Senate investigating committee continued efforts to chop through the tangled financial history of three Dallas insurance firms.

Apparent purpose is to discover whether these companies were playing fast and loose with the policy and stockholders' money without restraint from the state regulatory agency.

Chairman Sen. Charles Herring said at the beginning of the inquiry that he felt the Legislature was catching the brunt of public indignation that sometimes stemmed from negligence by state agencies.

Pierce P. Brooks and Lester Hall of National Bankers Life were questioned about the complicated exchanges and re-exchanges of money and stock between that company and now-bankrupt ICT Corp.

Outcome was a \$2,000,000 loss to ICT stockholders. Hall said hindsight made some of the deals look bad now, but they seemed perfectly all right at the time they were made.

Former employees of Preferred Life testified they had been instructed to conceal records from Insurance Department examiners. Company books didn't balance, they said, and there was a backlog of unpaid claims.

Tax Study Launched

For the first time in Texas history, work is under way to draw up the "big picture" on state taxes.

State Tax Commission, created by the last Legislature, has begun its work of finding out who pays how much to the state. Plan is to have the Texas Research League do the data gathering with help from eminent experts in the field.

Findings will be presented to the next regular session which is expected to be faced with a deficit and the necessity of putting new taxes on someone.

But commission members emphasized they would present no recommendations for new taxes, only facts on current ones.

Early End

An early freeze caused a sharp halt in crop growth for about

half the state. It damaged sorghum fields, reports state, and hit all areas which still had late cotton crops to be harvested. Other areas reported frost damage and damaged grazing.

Freeze was not unexpected in the Panhandle, said USDA, but came unusually early for south central counties.

At It Again
For the third time in a row, new Travis County grand jury has set to work with the state to discover any possible misconduct by state officials. Gov. Price Daniel urged the investigation.

"Wild and unwarranted charges do great harm," he said, "and the makers should be given opportunity to put up or shut up."

Judge Mace Thurman echoes this view at the swearing-in session. Any citizen with information on malfeasance in office is not only the right, but an obligation to go to the grand jury.

Object: to indict the guilty and clear the innocent of charges from "insinuation or rumor."

Prison Educator Honored
Some 100 Texas notables attended an Austin luncheon honoring Dr. George Beto, credited with giving Texas the nation's first school behind bars.

Dr. Beto, a member of the Board of Corrections, is given chief credit for establishing program whereby men in prison can complete a high school education. Some 138 received diplomas.

Former Gov. Allan Shivers who appointed Beto to the post, served as master-of-ceremonies for the luncheon. Governor Daniel also joined in the tribute. Daniel is president of Concordia Lutheran College in Austin.

Short Snorts
State Health Department sounded a sober note of caution to fall hunters. Gun accidents killed 169 Texans last year.

Department suggests hunters wear firearm safety rules, go easy drinking and avoid getting wet.

After study, directors of the State Bar of Texas said didn't agree with the American Bar Association canon prohibiting photographic coverage of courtrooms. Control should be with the individual trial judge, they said. . . . Marco Stewart, University of Texas and Princeton University graduate, has been appointed to Atty. Gen. Will Williams' staff.

By Mrs. Erwin Loessberg

Mrs. J. J. Schertz and Miss Keller visited with M&M J. Kempf and sons Sunday afternoon. M&M Biedeger and M&M Kempf visited with John C. Wade at Mico. Mrs. Walter Eichorn of SA was a Castroville visitor last Wednesday. Mrs. Eichorn spent the day at Mrs. Alma Etter and Mrs. Etter and in the afternoon at the W. M. S. at Zion Lutheran Church.

Mrs. Alex Bohl and daughter, Mrs. Devin visited M&M Biedeger and M&M Carl Anderson in Castroville last Wednesday. Ernest Bippert announced the arrival of a baby at the Castroville Hospital, Oct. 24. Grandchildren are M&M Hugo Bippert, M&M Carl Anderson, M&M L. N. Fitzsimon after visiting Mrs. Alice Bourbour of Oakland, Ohio for 3 weeks. Mrs. Fitzsimon made the trip by plane.

One of the out of town guests at the Annual Ham and Sausage Dinner at Zion Lutheran Church Sunday were M&M Ben Finden of SA. Mrs. Finden is vice-president of the South San Antonio group of the W.M.F. Also out of town were M&M Maitthis and Mrs. Maitthis, sister, Mrs. Elias Simon, Walter Eichorn all of SA. Mrs. Hans is reported very well at the Castroville Hospital.

A baby boy, Guillermo Enrique, born in the Castroville Hospital, Oct. 31, to M&M Willie Carris. The baby weighed 7 lbs. and 13 in.

PAUL'S LEAGUE

WENT TO QUIHUI GROUP

Paul's Luther League, for monthly meeting and social, went to the Quihui Luther League. The topic on Thanksgiving was "But to Whom?"

A short business meeting led by the report of the fall Rally at John's Lutheran Church in Antonio. The game was played as recreation and three tied for the highest score. Another game made Raymond Beyer highest scorer. Billy Beyer was lowest scorer. Each given a box of gum. Refreshments were served to 7 visitors and 12 members.

St. Joseph Antlers Jolt Comets

CASTROVILLE — The St. Joseph's Antlers of Laredo outscored the St. Louis Comets 47-32, in a free scoring contest at Laredo last Thursday night. The defeat was the Comet's third of the season against five wins.

The Antlers used a tremendous second half comeback to gain the victory as they scored three times in each of the third and fourth periods after trailing 19-7 at halftime. The Comets tallied once in the opening period, twice in the second and third periods and were blanked in the final period.

St. Louis opened the scoring for the night in the opening minutes of the first period. After recovering a fumble on the Antler 23 yard line, the Comets moved the ball to the 13 from where a pass play from Arthur Espino to Royce Groff gave St. Louis a score. Carl Mangold carried the ball over for the extra point to give the Comets a 7-0 lead.

St. Joseph's came right back, however, and evened the score with two minutes remaining in the opening quarter. Fullback Armando Cruz climaxed a 58 yard drive by blasting the last yard for a touchdown. Quarterback Guillermo Vela plunged over for the extra point.

Once again in the opening minutes of the second period the Comets grabbed the lead. The Comets marched 66 yards for the score, with Fullback Bobby Tschirhart racing the final 23 yards to paydirt. The try for extra point failed and the Comets led 13-7.

St. Louis added another touchdown midway in the second period, the very next time they had possession of the ball. Groff, who displayed good broken field running throughout the game, chalked up his second touchdown to the game, as he galloped 43 yards for the score. Tschirhart's plunge try for the extra point failed leaving the score 19-7 in favor of the Comets at halftime.

The second half proved to be a night-mare for the Comets. The Antlers scored at will and their backs ripped the Comet defense to shreds time after time. The St. Louis offensive machine, led by the ever-dangerous Groff and Tschirhart, appeared to be rolling in high gear as the second half opened. They picked up two tallies in the third period to hang onto the lead, but the final period was fruitless for the Comets and the Antlers shot into the lead.

The Antlers opened the second half scoring by capitalizing on a Comet fumble early in the third period. After picking up the loose fumble on the Comet 37, St. Joseph's scored on two plays. Vela set up the score with a rice 25 yard scamper to the Comet 12. The hard running Cruz picked up the touchdown from that point. Vela failed in the extra point attempt and the Comets led 19-13.

St. Louis quickly retaliated to lengthen their lead. The Comets marched 60 yards in 10 plays to score. Tschirhart ripped off right tackle for the final seven yards. Mangold booted the extra point giving the Comets a 26-13 lead.

The Antlers were not to be denied, however. Cruz ran back the kickoff 66 yards to the Comet 12 yard line. Four plays later Vela passed to Left End John Dickinson for the touchdown from two yards out. Cruz blasted over for the extra point narrowing the Comet lead to 26-20.

The Comets bounced right back. After taking the kickoff, Groff carried for 17 yards and Tschirhart for 25 yards to the Antler 18. From the 18 yard line Groff skirted left end for the touchdown. Mangold's kick for the extra point hit the cross bar and fell short. The Comets led 31-20.

From this point in the game, it was St. Joseph's all the way. With 2 minutes left in the third period Vela passed 28 yards to Left Halfback Ernesto Lopez for a touchdown and Cruz ran over the point after to cut down the Comet lead to 32-27.

In the opening minutes of the final period the Antlers went ahead to stay. Cruz ripped across from the two for the touchdown that put the Antlers in the lead. Halfback Roque Rodriguez failed in his extra point try and St. Joseph's led 33-32.

Midway in the fourth period, St. Joseph's added another score. Alternate Quarterback Herbert Sherry climaxed a 52 yard drive, ripping over from one yard out.

Vela passed to Dickinson for the extra point and the Antlers had increased their lead 40-32.

The Antlers picked up their final yard for the touchdown and also skirted right end for the point after. Seconds later the game ended with the Comets on the short end of a 47-32 score.

Thursday night, November 7, the Comets will host the Schreiner Institute Rebels in an Academic League contest. Game time will be 8:00 p.m. and everyone is invited.

PERSONAL APPEARANCE

BY JERRY JUNE BERGER

No doubt about it, Halloween is good for at least one reason and that is the nice, clean windows on the fronts of all Hondo store buildings the morning after.

There were a few hard working souls who washed windows not only Nov. 1, but the preceding morning too. We noticed CHESTER HEYEN out shining the plate glass at Crows on Halloween morning because early pranksters had decorated them on the night before too.

Generally speaking, though, it was a rather quiet haunting holiday. The streets were littered with little "trick or treaters", but not much else.

On checking with the sheriff's department, we learned that about their only trouble came from a group of San Antonio Pachucos who invaded Hondo both nights. They threw rocks and ice, breaking a window in the house of MANUEL DURAN and also broke windshields on a couple of cars. They were caught in the act of littering streets, and the sheriff's men not only had them clean up their mess but told them that the next time they even showed up here they would be thrown in jail.

About the only other mischief we heard about was the unloading of some Universal-Rundle broken wares on the lawns of some homes about town — this by a group of high schoolers.

The funniest incident, although probably not to the victim, was the case of a former white horse. Some pranksters caught an animal belonging to

rancher CHARLIE ROSS, who lives north of Hondo, painted the horse a vivid red, then turned him loose to graze on the airfield properties. One might say this was a case of the old gray mare not being what she used to be.

The Sheriff himself was victimized a little bit that night too. CHARLIE HITZFELDER says that his wife handed out 6 pounds of candy, but the next morning he found a white fence in his front yard that he had not had the day before.

Mr. and Mrs. GAIL ELD-RIDGE, who formerly lived in Hondo when he was employed by Texas Aviation Industries, are now in a new home in San Antonio and they have had an addition to the family since leaving here.

Three years ago they adopted a little German boy who knew not one word of English, and they knew no German. Now, at age five, MARK speaks as "American" as the boy next door and certainly looks the role too. We saw the three in the big city Saturday afternoon.

Posted on the Hondo foot ball schedule at Fly's fountain is some interesting scribbling. Beside Oct. 18 is the printed word "Open", and someone has written in the words "Sabinal Girls". We'll let each reader reach his own conclusion about the meaning. We for one are making no comment.

B-58 BUICK

Born of more Aircraft Principles than any other car yet built

HERE—coming to you from the freshest blueprints in years—is a car built to make your driving as modern as your thinking.

This one's built with more aviation principles throughout than any car before.

There's a greater use of airweight aluminum in its form and structure—in its engine—in its styling—even in its quick-cooling brakes.

There's an air-borne feeling of flight in its performance with Buick's B-12000 engine and with Flight Pitch Dynaflo* that can switch the pitch a million ways.

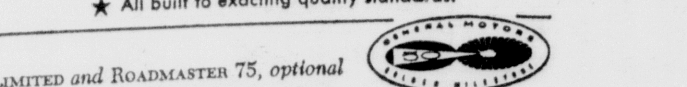

And everywhere you go—you travel in new

skyway comfort with Buick's Miracle Ride plus Air-Poise Suspension.*

So this is a car of truly exciting ideas for 1958—the Air Born B-58 Buick. And you should see it and drive it at your Buick's soon. Come on in today.

NEVER SO MUCH SO NEW

- * Fresh bold styling with the Dynastar Grille.
- * The Miracle Ride plus Buick Air-Poise Suspension.*
- * Flight Pitch Dynaflo* with the instant flexibility of a million switches of pitch.
- * B-12000 Engine with 12,000 pounds of thrust behind every piston's power stroke.
- * Air-Cooled Aluminum Brakes* with smoother, surer control and longer life.
- * "Velvet Wall" Sound Silencing.
- * All built to exacting quality standards.

*Flight Pitch Dynaflo standard on LIMITED and ROADMASTER 75, optional at extra cost on other Series. Air-Poise Suspension optional at extra cost on all Series. Aluminum Brakes standard on all Series except the SPECIAL.

Step in... NEW FORD TRUCKS for '58

NEW TILT CAB TRUCKS... Lowest-priced* Tilt Cab line in America!

NEW '58 FORD RANCHERO... America's first work-or-play truck!

'58 FORD TRUCKS—FIRST WITH THE FEATURES THAT COUNT!

NEW '58 FORD PICKUP... Modern Styleside body is as wide as the cab and standard at no extra cost!

Step ahead... with all that's new...costs less, too!

• Meet America's newest, most modern trucks—Ford for '58! Discover the new advances in this pace-setting line. See the many advantages that help you do your job better and at lower cost!

Then match your requirements against Ford's over 300 models. Whatever your need—from pickup to heavy duty tandem—Ford's got it! And you'll get a truck that costs you less to own, less to run and lasts longer, too.

So see your Ford Dealer today and step ahead with America's most modern truck—built modern to cost you less.

NEW capacity! Extra-wide Styleside pickup bodies have 23% more loadspace than any other competitive pickups... biggest loadspace per dollar!

NEW easy ride! Scientific Impact-O-Graph ride tests have proved amazing superiority of Ford's suspension over competitive pickups... a ride mighty close to that of a car!

NEW comfort! Driverized Cabs have non-sag seat springing, suspended pedals and weather-protected inboard steps.

NEW power! Powerful, more rugged V-8 engines! And only Ford offers Short Stroke economy in both Six and V-8!

NEW safety! "Safety Vision" dual headlights... Lifeguard steering wheel... and double-grip door locks... standard on all Ford trucks!

NEW "fine car" conveniences! Ranchero offers all power assists, even power windows and air conditioning, factory-installed, at Ford's low prices.

*Based on a comparison of manufacturers' suggested retail prices.

THE BIG FLEETS BUY MORE FORD TRUCKS THAN ANY OTHER MAKE!
FORD TRUCKS COST LESS
... LESS TO OWN... LESS TO RUN... LAST LONGER, TOO!

derous intentions. Evidently they designed using it as a weapon in a plan to kill and rob me, and I did not hesitate to charge them with the cowardly scheme. They denied having had anything to do with it, but I entertained contrary convictions and ordered them to leave the yard. They obeyed me without uttering another word, but my father, who was holding my team, called them back and insisted that I should return the five dollars they had paid me. He said the poor fellows might need it, and I obeyed him, perhaps reluctantly, because, naturally, I felt no sympathy for them. Later I was told that they returned immediately to Castroville, and I afterwards learned that they were deserters from the United States army.

SUL ROSS BAND PICKED

The Sul Ross College Band has been selected by the Battle of Flowers Association to be feature band at the Band Festival during Fiesta Week in San Antonio next April. Richard Morris, son of Mr. and Mrs. R. L. Morris of Hondo, is playing bass horn in the band. He is a freshman geology major.

M&M Eddie Grossenbacher and son, Jimmy, of Rt. 9 visited their son Bobby who is a Basic at Lackland AFB.

M&M Clarence Keller and daughters were in SA on business last Monday.

Come and Get It!

Nearly every fisherman has a choice fishing spot... a "fishin' hole" which he favors over all others.

Some of the really ambitious souls "bait up" the hole to attract the little ones so that the big boys will come in for a strike.

How many different ways do you know to tempt fish into the lair?

One seasoned fisherman tells us that he wraps a bale of alfalfa hay in chicken wire (about 2-inch mesh), anchors it with a rock, and lowers it on a cable almost to the very bottom of the lake. The other end of the cable he attaches to his dock, or to a tree, so that he can retrieve and replenish when necessary.

Another veteran follows the same pattern except he fills a toesack with discarded meat bones obtained from the butcher shop. He claims the big cats will tear the sack all to pieces and eat the bones like a hound dog.

Still another fisherman finds that corn chops in a toesack does the trick.

Another fellow uses cottonseed meal.

An unusual "come on" — and

probably as good as you'll get at this season of the year is to tie an unopened gallon bucket of syrup to a cable, punch a hole in the bottom of the bucket and lower it almost to the bottom. The syrup, oozing from the hole, is reported to bring the fish flyin'.

Whatever your "lure," it's commented that you drop it to an old tree. Then be sure to mark the spot. And not on the side of your boat, either.

DID YOU KNOW?

Old fishermen never die; they just smell that way... On an island got its name from many "conies" — or wild cats — found on the island... The starfish eats oysters in the lake. It pulls the bivalve open with suction tentacles, then turns its own stomach inside out to digest the treat... "Bullfrog" refers to a specific species of large frog. The sex of the animal is not involved in the name. Therefore, female also is a bullfrog... Giant Water Bug carries its young on its back, where they have been placed by the female.

Not all crows are black. Clark's crow, named after an explorer of the Lewis and Clark expedition, is a gray and white bird, with black trimmings. According to Government experts, the annual value of a single black snake is approximately \$3.75 in rodent control... A hunter's wife can tell you that bird in the hand is worth about \$12 a pound.

Natalia Festival

Termed A Success

NATALIA — In spite of bad weather Friday, Oct. 25, a large crowd came to the Fall festival. Many booths offered amusements and the evening was climaxed with the coronation of the queen who with her escort, reigned on the throne.

Diana Richardson, queen of the elementary grades chose her escort Bubba Martin. Diana Smith from high school chose as her escort Jack Bradley. The queen and princesses were dressed in gowns of various bright colors with glamorous decorations.

The P.T.A. appreciates very much the support received at this festival.
